EDUCATION

Eluru College of Engineering and Technology, Eluru

Electronics and Commucation Bachelor of Technology

CGPA: 8.2

Eluru

January 2021 - June 2024

Aditya Junior College,Narsapur

MPC Intermediate

CGPA: 9.91

Narsapur

June 2018 - March 2020

Sri Vasista EM High School

Mathematics SSC

CGPA: 10

Narsapur

June 2017 - March 2018

EXPERIENCE

Tap Academy | Full-Stack Web Developer Intern Bengaluru,Karnataka | February 2024 - August 2024

- As a Full Stack Developer intern, I worked on building and maintaining both the front-end and back-end of web applications.
- I developed user interfaces, handled server-side logic, and managed databases.
- Additionally, I integrated APIs and collaborated with other developers using version control tools like Git.

SKILLS

Programming Languages:	Java, Python, C
Libraries/Frameworks:	Java Script, HTML5, CSS
Tools / Platforms:	Vs code, Eclipse
Databases:	SQL, MongoDB

PROJECTS / OPEN-SOURCE

Adaptive Hyper Spectral Image Classification

- The motivation behind this project is to improve the accuracy and efficiency of image retrieval using a two-stage CBIR algorithm.
- Additionally, the project recognizes the importance of considering low-level features to enhance the overall performance

CERTIFICATIONS

- Java (Basic) - **Hacker Rank**
- Programming on Python - **Tech Yuva**
- Soft skills Training Certificate - **Nandi Foundation**
- Data Analytics Virtual Internship - **Eduskills**

HONORS & AWARDS

- Prathibha Award For SSC (2018) - Awarded by the Government of Andhra Pradesh for securing top rank in the state in SSC examinations.
